

## EXHIBITION PROPOSAL GUIDELINES

The **Gallery of Australian Design** aims to promote Australian Design in all its forms by staging exhibitions and events of national significance as well as hosting international design exhibitions for Australian audiences.

Through a unique partnership between the University of Canberra, the Australian Institute of Architects, the Australian Institute of Landscape Architects and the National Museum of Australia, the Gallery welcomes exhibition proposals from curators and designers from all fields.

The Gallery does not charge a fee to install, market and maintain the run of exhibitions. Exhibitors however are required to cover insurance, freight costs and where appropriate assist with the installation. Please note the Gallery is not in a position to pay fees for exhibitions however we will provide support letters for any funding applications you are applying for to support the tour of your project to the Gallery.

Proposals are due at the end of April for exhibitions that will take place in following year. Decisions on proposals are made by the Gallery of Australian Design Advisory Group. Those who submit a successful proposal will need to sign our standard exhibiting contract prior to staging the exhibition.

Proposals on a CD should include the following

1. A one A4 page project description
2. Eight quality images fully described with title, year, materials, dimensions and photographer's credit
3. Full list of works and insurance values
4. CVs of Key personnel
